About us

THYNK SHIPPING & LOGISTICS renders a complete range of shipping services, from freight forwarding to containerized shipping and container terminal support.

Our corporate vision is to be the most efficient, effective and sustainable shipping company through establishing shipping networks and logistics clusters at international waters.

THYNK is committed to managing the integrity of its operations and business activities in a responsible manner, with due consideration to the Health, Safety and Security of the team, other stakeholders and the Environment in which we conduct business.

Think Smart, Ship Better.

Our approach is simple: a comprehensive, reliable and fast shipping network, backed by outstanding quality service and strong customer relationships across sea, air and land.

Freight Forwarding

THYNK SHIPPING & LOGISTICS aims to be an efficient and sustainable freight forwarding and logistics management facility, through establishing logistics chains, networks and clusters across the globe.

THYNK shall be the shipping company of choice serving the Far East Asia, South East Asia and Indian Subcontinent trade lanes by:

- Providing a comprehensive, reliable and fast shipping network
- Delivering client satisfaction through outstanding quality service and customer relationship

Services designed around you

As an enterprising forwarding company, THYNK has designed its services mix to serve customers in achieving their business goals.

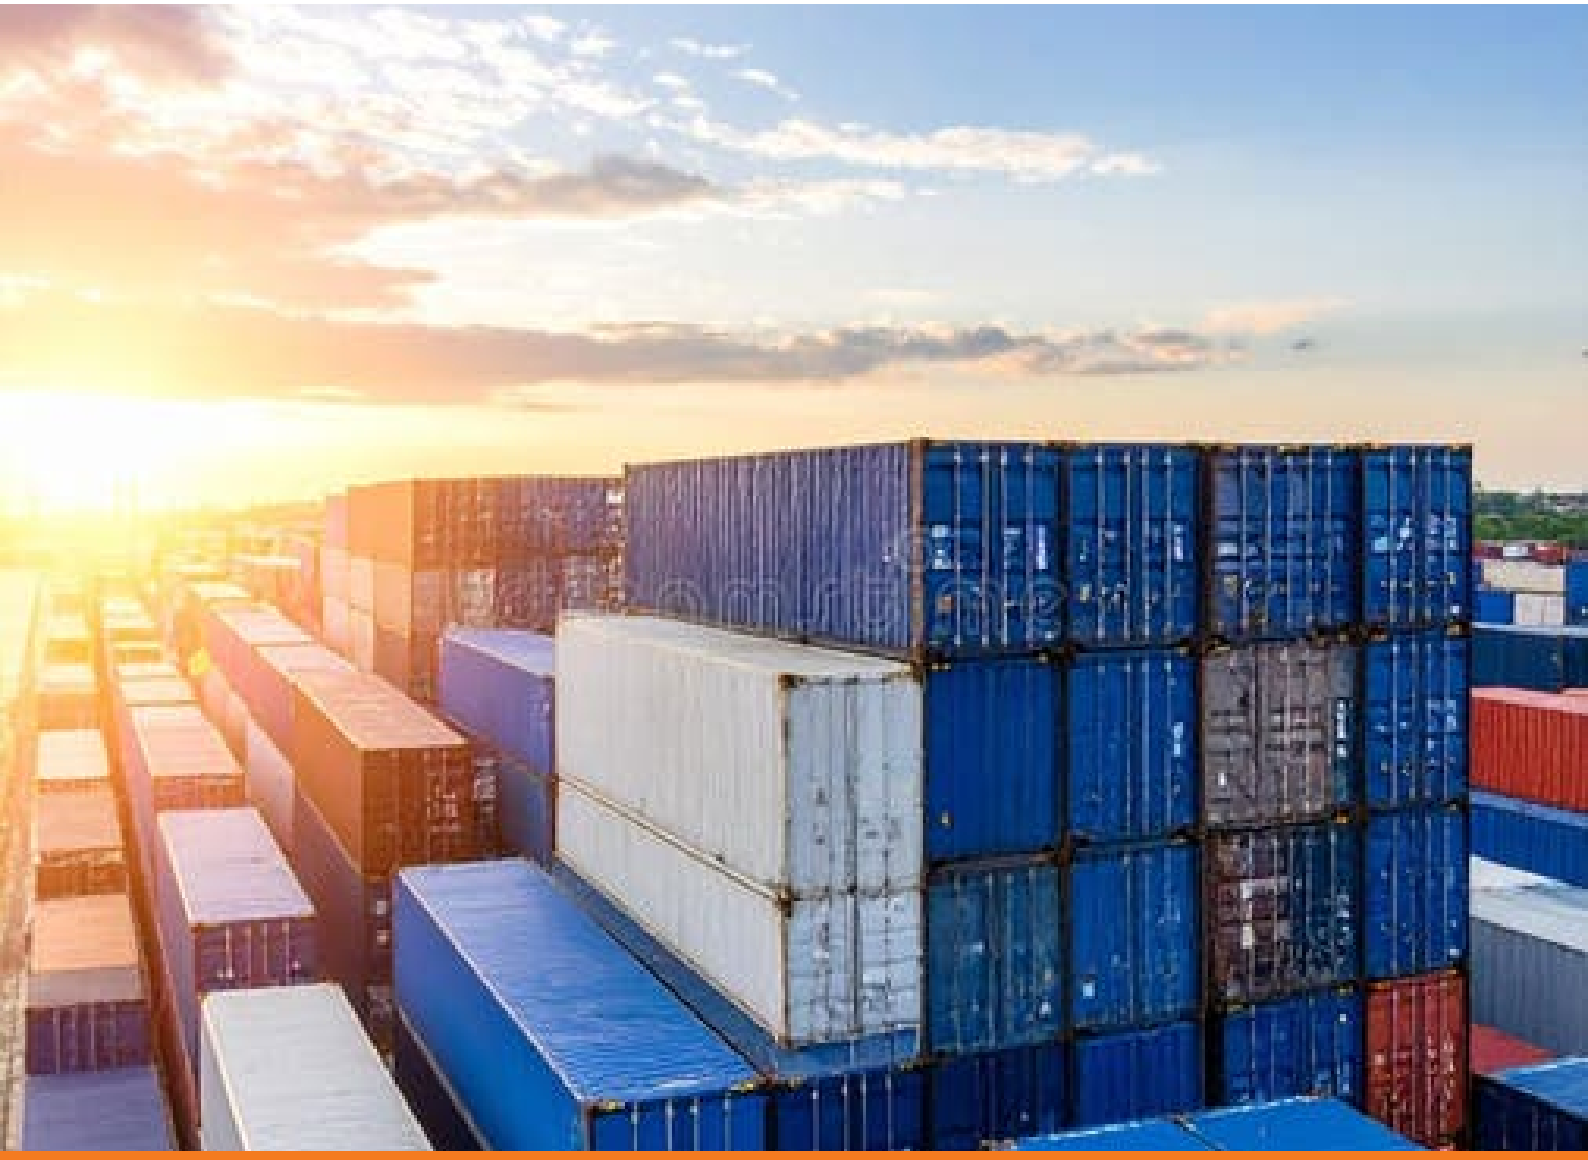

Non-Vessel Operating Common Carrier

THYNK SHIPPING & LOGISTICS offers NVOCC services through a variety of equipment comprising Dry Vans, Reefers and Special containers.

To meet customer demand, containerized services are designed covering port pairs between Asia, the Indian Subcontinent and the Gulf.

In-depth knowledge of customer procedures, professional relationships with port authorities and a reliable network of agents and specialists empower our team to offer importing and exporting services ranging from fresh food products to consumer electricals or a house move.

HIRING A CONTAINER TO BUYING A CONTAINER,
WE SERVE YOU ALL !!!

Off-Dock Container Terminal

THYNK SHIPPING & LOGISTICS aims to serve and assist carriers and their agents with container fleet management.

With a customer base that includes domestic and international shipping networks, leasing firms and the likes, we work to broaden our activities to another level of economic growth through expanded stacking capacity.
